

Yearbook Cover Contest!

Rachel Carson Elementary

2018-2019 Yearbook Cover contest is on!

It's time to start get your creative minds on, your art supplies out, and to compose that wonderful art piece that will adorn this year's book cover!

This year's book will feature winning art from RCE 5th graders!

Your artwork is to be submitted to your teachers by **February 4th**, and completed within the guidelines noted below. As tradition continues, the completed pieces of art will be carefully and thoughtfully judged by all our very own RCE teachers. All artwork will be voted on keeping artist of the work anonymous. First place art will be featured as the front cover and second place will secure the back cover!

***Artists must adhere carefully to the guidelines below ...

- Confine your work to within the dimension of regular 8.5" x 11" white paper.
- Compose all art with **black, white, and only one color of green.**
- Stay in keeping with our "Falcon Spirit" ... and/or our environmentally conscience theme.
- Your name (student's first and last) and teacher's name must be written on the back of the artwork. (Please use **pencil** so there is no ink visible from the front.)
- Only one piece will be accepted per student.

We're excited to see what you come up with ...

**Make this year's cover the
best one ever!!!**
